Mayfair Mining & Minerals, Inc. retains The Vine Group.

Mayfair Mining & Minerals, Inc. (MFMM-OTCBB, M1M-Frankfurt) is pleased to announce that the company has retained The Vine Group, a boutique Investment Banking and Corporate Advisory firm with international affiliations. The mission statement of The Vine Group, as it refers to Mayfair Mining, is to increase the company's shareholder base and raise investor awareness and goodwill within the Chinese investor community.

The Vine Group is an international boutique firm with teams of world-class professional advisors whose expertise lies in the areas of private equity, venture capital investment, corporate development, strategic planning and financial consulting. They work with a network of affiliated partners to maximize resources to serve their clients. The Vine Group aim to provide their clients with the best service and the results they seek, to supply them with the key tools they require to make their business grow. Their clients span the globe and vary in size and areas of trade.

The Vine Group are currently aggressively expanding into international markets and have local presence through affiliated associates based in London, New York, Los Angeles, San Francisco, Seattle, Vancouver, Hong Kong, Shanghai and New Delhi.

The two principals of The Vine Group in charge of the Mayfair Mining file are Islée Oliva Salinas and Evelyn K. Lee, both consummate professionals with extensive backgrounds in investment banking and corporate finance.

The company is also pleased to announce that, in addition to its website in English, French and German, it has now, through the services of NA Finance Ltd., a Toronto based Chinese website and translation service, translated its company overview into Chinese and has also commissioned NA Finance to translate its complete website into Chinese Mandarin. This is expected to be posted on the web shortly. Through the company's link with NA Finance and Minesite.com of London, England, the company's investment profile will now be accessible through the internet with in excess of 1,000,000 page views per month from the Chinese and international investment community in North America and elsewhere.

On behalf of the Board of Directors,

Clive de Larrabeiti.

SAFE HARBOR STATEMENT - This news release may include forward-looking statements within the meaning of Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Act of 1934, as amended, with respect to achieving corporate objectives, developing additional project interests, the Company's analysis of opportunities in the acquisition and development of various mining project interests and certain other matters. These statements are made under the "Safe Harbour" provisions of the United States Private Securities Litigation Reform Act of 1995 and involve risks and uncertainties which could cause actual results to differ materially from those in the forward looking statements contained herein. Forward-looking statements involve risks and uncertainties. Words such as "will," "anticipates," "believes," "plans," "goal," "expects," "future," "intends" and similar expressions are used to identify these forward-looking statements. Actual results could differ materially from those anticipated in these forward-looking statements for many reasons, including the risks described in this press release. Such risks include, but are not limited to terrorist activities that may affect our business or the economy in general; lack of success in mining activities; the prices of metals and gemstones; lack of funds to conduct mining activities; increase in costs of production, and similar risks. For further information about the Company, please refer to its materials filed with the Securities and Exchange Commission and available on the SEC website at www.sec.gov
